FIRST IN RESULTS TO ADVERTISERS

NUMBER 11

## Barnstable Elected President of Local Fire Dept. Tuesday

C. Shultis and G. Garland, Veteran Officers Are Re-elected

Vern Barnstable was elected president of the Antioch Volunteer Fire Department at the annual meeting held at the fire house on Tuesday evening, October 10. Barnstable replaces Laurel Van Patten as president. Other officers for the coming year are: Irving Walsh, vice president, replacing C. E. Hennings; Earl Pape, sergeant-at-arms, who replaces Einar Petersen. Clarence B. Shultis was re-elected secretary for the seventeenth consecutive year, and Geo. F. Garland was again selected to act as treasurer for the thirtieth consecutive year. Chas. Mapleshorpe was chosen as delegate to the Lake County Firemen's association for a three year period.

A report of the work of the department was given by Shultis, and this report shows that the department has been exceptionally efficient during the year. The report follows:

"During the fiscal year, Oct. 1st, 1949 to Sept. 30, 1950 the Fire dept. answered 72 calls. (43) District calls, (23) Village calls, (2) calls outside of dist. west of Fox River, (11) Salem Twp. (1) Newport Twp. (1) Bristol Twp. and (1) Lake Villa. "In the Village there were (7) grass fires, (3) truck fires, (13) building fires on property valued at \$269,750.00 with a fire loss of \$780.00.

"In the Fire District (which is all of Antioch Township east of the Fox River, not including the Village of Antioch) there were 43 calls. (20) grass fires, (5) car fires, (1) boat fire and (17) calls on property valued at \$116,200.00 with a fire loss of \$5,190.00."

A report on the progress of the program to improve the new fire station was also given and showed that the fire department had expended \$3,096.40 of money derived from direct donations to the department or raised by the firemen's dances and entertainments of various sorts. The improvements to the building include installation of complete kitchen facilities, paneling of the basement walls with knotty pine, painting of the entire building, inside and out, new electric lighting of the basement and much in the way of fire fighting equipment—new ladders, nozzles, and electric hose dryer.

## Student Council, Sponsors, Class Officers Chosen by Antioch High School Groups

Members of the Student council and officers of the upper classes of the Antioch Township High school have been elected.

Chase Millsop heads the Student council as president and Pat Hogan is secretary. Both are seniors.

The class representatives are: Seniors, Ann Mattson and George Swenson and Mary Curnes; Juniors, Ronald Scully, Gail Dietrick and Paul Biel; Sophomores, Carol Loftus, Thomas Elwood and Lorraine Steinel; Freshmen, Thomas McGreal, Carmen Edmundson and Joseph Pechulis.

The class officers and their sponsors recently selected are: Seniors, George Swenson, president; Fern Mattson, vice president; Marilyn Wallace, secretary; Betty Erickson, treasurer; Bernard Haviland, reporter. Miss Barbara Duncan, Miss Theresa Wehr and Hans Von Holwede are sponsors.

Juniors, George Nelson, president; Ann McMillen, vice president; Pat Keulman, secretary; Bob Oddsen, treasurer; Ronald Scully, reporter; Miss Carol Bean, Miss May Hartley and August Wickert, sponsors.

Sophomores, Charles Bock, president; Sylvia Beelow, vice president; Emily Rule, secretary; Mary Fields, reporter; Miss Iris McKinney, Miss Naomi Meiner and Richard Scott, sponsors.

Freshmen, Officers to be elected. Miss Narcisus Donavon, Mrs. Jeanette Tulumello and Warren Polley, sponsors.

**Speaks on Health Dept.**

Mrs. Robert Palmer, Highland Park, program director of the Lake County Coordinating council, spoke on the proposed county health department at the Channel Lake school Monday evening.

Leo Rumpa of Loon lake was taken to St. Therese hospital in Waukegan Tuesday night after he suffered a stroke at his home.

## This Is Fire Prevention Week--Remove Hazards

This is fire prevention week in case you are not aware of it. Governor Adlai E. Stevenson sent to Fire Chief Edgar Simonsen a proclamation that this week shall be observed as a week in which safety from fires shall be acquired through removal of hazards.

Citizens of the Antioch area are asked to search their homes and business places and eliminate conditions that are conducive to fire.

Fire prevention week over a period of years is said to be gradually reducing the number of deaths. There were only 288 lives lost in year ending June 30 this year over the corresponding 12 months the year before.

The Antioch fire department under the direction of Chief Simonsen has been investigating business and public buildings from time to time and made recommendations.

Shown above is the Rev. Kermit Long, minister of the Trinity Methodist Church of Chicago. Mr. Long is the leader of the Preaching Mission to begin Sunday at the Methodist Church in Antioch.

(See story on page 6)

## Antioch Uses Power to Beat Wauconda 12-0; Will Play Palatine Next

Antioch High's football team came through with a 12 to 0 victory over Wauconda High here Friday night.

The success put the Sequoits in a better frame of mind for their game tomorrow evening against Palatine High there. While Palatine beat Bensenville which previously had defeated the Sequoits, and will be playing on its home ground before a Homecoming crowd, the Antioch squad believes that with the breaks it can win.

The Freshman team will play the preliminary at 6 o'clock against the Palatine freshmen. The Frosh lost to the Wauconda first year men in the preliminary here last Friday 7 to 0.

The varsity got revenge against Wauconda, Nelson's line plunges scored for the Sequoits in the first quarter and again in the second half to win the game. The local boys were too much on edge, however, and during the second half penalties cost them yardage just when they had opportunity to score.

"The score should have been much higher," Coach Maurice Krizan said.

Northwest Conference				
	W	L	Opp	Tp

**Palatine Frosh Win 21-6**  
The Palatine freshmen won from the Antioch freshmen in football here yesterday afternoon 21 to 6. This is the first year of football for freshmen in the Antioch High school and they are having to learn the game at the expense of defeats.

**Has Good Melon Crop**  
On display in the Antioch News window is a sample of watermelons Joseph Sauers raised on his farm at the state line. Although this area is not considered watermelon land Mr. Sauers raised 75 melons that had an average weight of 35 pounds.

## Survey of Hospital Needs of Community To Be Started Soon

A decision to try to obtain a survey of the needs of the community as to a hospital was made at the first meeting of a committee Wednesday evening. The meeting was held at the Scout home with about twenty members of the committee present.

After a thorough discussion of the possibilities, the committee acted on a proposal to try to secure a detailed study of the needs of the community. Ed C. Jacobs was appointed to head a committee to obtain the necessary information, after which a second meeting will be called by Dr. R. D. Williams, chairman of the committee.

It is believed that after a survey is completed the committee will have the necessary information to enable it to make a decision on the advisability of going ahead with the plan to open a hospital in the community.

Present at the meeting was Dr. J. S. Deering, of Onawa, Ia., a brother of Dr. D. N. Deering of Antioch. Dr. Deering was able to furnish much information to those present through experience gained in operation of his own hospital at Onawa for the past twenty-eight years. He also touched on some of the points necessary in organizing a group to erect a hospital and was able to answer many questions of the committee members.

## Head-on Auto Collision South of Village Injures California Couple Tues.

Paul Jesevicius, 28, of Rte. 173, was arrested and charged with driving while intoxicated after his car met in a head-on crash with the car of a couple from Menlo Park, Calif., a mile north of Loon lake corner late Tuesday afternoon.

He was taken to the county jail until bond of \$500 could be obtained for his appearance in the court of Justice of the Peace Ray Reardon Oct. 24.

The driver of the other car, Paul Josselyn, 65, received a possible skull fracture and head cuts, and his wife suffered a fractured knee cap, broken collar bone and chest injuries.

They were taken to Condell Memorial hospital, Libertyville by the Antioch Rescue squad.

Deputies said the accident occurred when Jesevicius' car crossed into the approaching lane of traffic while going south. He received but minor cuts and bruises about the face.

## Chicago Flyers Unhurt When Plane Crashes on Shore of Petite Lake

Two Chicago men escaped injury when their plane crashed on the east shore of Petite lake Sunday.

Carl Meyers, 29, agreed to take his brother-in-law, Earl Rich, same age, for a ride over the lake so that he could take some pictures.

The weather was poor and when they glided over the lake the first time Rich complained they were too high.

"Just a little lower," he urged, so Meyers circled lower.

"Oke, but there's too much vibration," Rich shouted over the engine's roar.

Meyers, in order to stop the vibration, cut down the throttle.

"That's fine," Rich grinned as he aimed his camera.

The motor suddenly stopped, however, and a crash resounded as the single motor plane belonging to the Chicago and airport at Half Day plunged into the swamp along the shore, snapping off a wing.

Witnesses called the Antioch Rescue squad, but its services was not needed for Meyers and Rich waded ashore with nothing more than their feelings hurt. They returned to Chicago by auto.

**Enrolls at Stephens College**  
A new student from Antioch who has been accepted for admission at Stephens college in Columbia, Mo., where the 118th fall term opened last month is Miss Mary Rose Webb, daughter of Mr. and Mrs. Robert J. Webb, 1019 Main Street.

Returning to Stephens from Antioch is Miss Annabelle Barthel, daughter of Mr. and Mrs. Carl Barthel.

## Public Meeting Planned To Give Information on Co. Health Department

Mrs. Elwood Hansmann To Speak at High School Next Wednesday

The proposed county health department with all of its services will be explained in a meeting at the Antioch High school next Wednesday evening by Mrs. Elwood Hansmann, district chairman of the Parent-Teacher association.

The public is invited and urged to attend, according to Vern Heath, chairman of the Chain O' Lakes Region council which is sponsoring the event.

Heath said that there will be music and he is arranging for a movie "Clean Waters," which is put out by the Public Service Co.

The meeting will start at 8 o'clock and will be held in the school gymnasium.

The Lake County Coordinating council which is working for the success of the establishment of a county health department through a referendum at the coming election, is anxious that voters be informed as to the nature of the department and its workings and meetings of this nature are planned to give out the information.

The Chain O' Lakes council is working for better health through prevention of pollution in Lake county lakes.

To Address Teachers

Supt. John L. Bracken will be the principal speaker in the Meeting of the North Shore Division of the I. E. A. Monday, Oct. 23 which Antioch teachers will attend.

## Holy Name Society Plans Communion Breakfasts and Turkey Party for Nov. 19

The first of several communion breakfast meetings was held Sunday by the Holy Name society at St. Peter's church.

Forty members attended the 8 a. m. mass and breakfasted together afterward.

A. J. Scully, president of the society, announced his committee appointments as follows: Sick and Vigil committee—Ed Sletten, chairman.

Annual Turkey party (Sunday, Nov. 19 at the church hall) Charles Schroeder, assisted by Louis Bauer, Roman Wagner, John Horan, Louis Smoe and Robert Griffin.

The next meeting will be at 8 a. m. mass Sunday, Nov. 12. The communion intention will be for deceased members of the society.

## 2000 Signatures on Liberty Scroll Headed For Berlin Ceremony

High School Students Aid United Nations Bell Project Here

More than 2,000 of the 3,000 signatures to the liberty scroll sought in Antioch and Lake Villa townships by high school students for presentation at the dedication of the Liberty bell in Berlin have already been obtained.

"It appears that we will easily reach our 3,000 signature goal," said Mrs. Jeanette Tulumello, adviser to the social studies class of the Antioch Township High school which is conducting the drive.

Gifts will be used to help pay the cost of the big bell which is under construction at Croydon, England, and will be dedicated at Berlin Oct. 24. It is a United Nations project and will be rung daily in sounding out an appeal for freedom around the world.

The drive for signatures in this area will last to Oct. 16.

While there are representatives in each area, those who have not had the opportunity to sign the declaration for freedom are asked to call at the Antioch postoffice where students are stationed.

The scrolls of signatures will be sent to Washington D. C. Monday and from there will be flown to New York city and from there to Berlin where they will be placed under the freedom bell to be dedicated by the United Nations on Oct. 24.

On United Nations Day (Oct. 24) the bells of liberty are to be rung everywhere for a period of five minutes 2 to 2.05 p. m.

In Antioch church bells, fire sirens, police sirens, the Rescue squad siren will be sounded in the name of freedom.

A patriotic program in honor of United Nations Day and the dedication of the freedom bell will be given by the students of the Social studies and music departments at 2 p. m. Tuesday, Oct. 24 to which the public is invited.

## Rescue Squad Gift List Increased by 98 Donors; More Donations Expected

Nearly one hundred names have been added in the last two weeks to the list of donors to the Antioch Rescue Squad fund now being solicited by the Lions club.

The list contains names of several outstanding organizations and persons and is published as a reminder to those who have intended to donate but have just neglected to do so.

Those making gifts recently are: Al Swenson, Dr. C. P. Tossey, George Hetch, Walter Dibble, Cedar Lake Park Ass'n., George J. Herbold, pres., David Hunsaker, H. R. Sherwood, Carl W. Hopke, Pickard, Inc., Mrs. J. H. Leslie, Ray W. Cobb, Mrs. Geo. Calcott, Charles W. Ade, H. A. Lubeno, A. J. McGreal, Mary Smart, Rev. F. M. Flaherty, Lou and Rose Nielsen, Walter K. Hills, Geo. W. Kapell, Hannah E. Flory, Otto A. Banske, Mrs. Nellie Hanke, Ernest Beager, Carl R. Gibson, Dr. Richard A. Ripley, Mrs. Ray Prenger, Weber Duck Farm, Clarence V. Fleming and L. E. Leable.

Herman Sterbenz, Mrs. Annie Lawton, Joseph Haisman, Mr. and Mrs. B. F. Albrecht, Robert T. Wilcox.

(Continued on page 7)

## A.T.H.S. Homecoming Set for Friday, Oct. 20 When Grant Plays Here

Parade Thursday Evening; With Bonfire, Dance Friday Night

Homecoming for the alumni of the Antioch Township High school is scheduled for Friday, Oct. 20, when the Sequoits meet their rivals of long standing in football, the Grant Bulldogs.

The celebration will start with a parade at 7:30 p. m. on Thursday of that week followed by a bonfire and pep session and closing with a snake dance.

There will be a dance after the game on Friday evening with Art Smejkal's orchestra furnishing the music. The Homecoming queen, Miss Pat Hogan, daughter of Mr. and Mrs. George Hogan, of Felter's subdivision, will be crowned at 10:45 p. m. during an intermission of the dance.

Miss Hogan's attendants will be Sue Norman, senior; Ann McMillen, junior; Joan Cervenka, sophomore; and Carmen Edmundson, freshman.

**Student Council Directs**  
The Homecoming is under the direction of the student council. Ronald Scully is chairman of the parade committee and he has issued an invitation to business houses and private citizens to enter decorated floats or decorated cars in the line of march.

Prizes will be given for the best floats. The committee has asked that those who plan to enter floats or cars report to it by Monday so that the order of the procession may be arranged.

George Swenson is chairman of the bonfire committee which will arrange for the fire and the talks to follow.

**Queen and Court Arranged**  
Mary Curnes and the A Club are providing for the queen, her court, and her coronation.

Ann Mattson is chairman of the program committee and Pat Hogan of invitations.

On the dance committee are Paul Biel, Ronald Scully, Mary Curnes, Pat Hogan and Carmen Edmundson.

With an ever increasing alumni, the crowds for the game and dance this year are expected to be bigger than ever.

## Public Schools Close Monday, Oct. 23 While Teachers Attend I. E. A.

Antioch public schools will be closed Monday, Oct. 23, while the teachers attend the annual meeting of the Lake Shore division of the Illinois Education association at Evanston.

The program will be a repetition of the one conducted on the Saturday previous at Cicero, where school teachers from schools nearer that place than Evanston will attend.

There will be 48 discussion groups, Miss Mary B. West, Provisional Township High school, general program chairman, announced.

John L. Bracken, immediate past president of American Association of School Administrators, will address the opening sessions on the topic, "Teachers Unlimited."

More than 200 teachers and professional people will play leading roles in the panels and group meetings. Antioch teachers will attend the meeting which interests them most.

General topics under the conference theme, "Education for Living," will include Group Dynamics, Improving Human Relations, School Laws, Autocracy or Democracy in the Schools, Delinquency, School Public Relations and Spiritual Values. Other groups will consider specific problems dealing with Common Learnings, Adolescent Behavior, Using Audio-Visual Aids, Improving Reading Ability, The Gifted Child, Guidance, Core-Curriculum, and the Place of Music, Art and Choral Speech in the Elementary School.

**300 Jobs at Ft. Sheridan**  
The Fort Sheridan Civilian Personnel Officer has announced that 300 vacancies exist on the Post. The variety of job openings range from laboring through skilled and on up to highly technical positions.

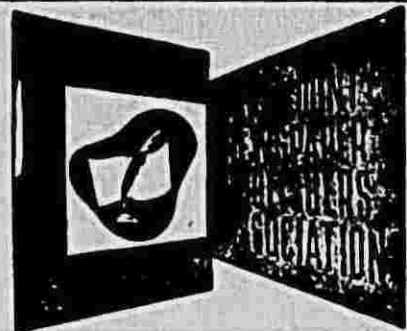

It is requested that all interested persons contact the Fort Sheridan Civilian Personnel Office Bldg., 48-F in person immediately. All the positions will be filled at the earliest practical date on a temporary indefinite basis.

### Time To Boost Private Citizen

The Department of the Interior and the government-owned power projects which it promotes get so much publicity every time they wrangle a few hundred million dollars of tax money out of Congress that many people are actually forgetting that the investor-owned electric industry is supplying 80 percent of the nation's power and doing an outstanding job. It is interesting therefore to make a few comparisons.

A newspaper advertisement of one of the largest power companies\* in the United States, located on the Pacific Coast, describes the type of people who have put some \$800,000,000 of their savings into that company's building program since World War II ended. In 1949 these savings helped employ 16,572 local people in 385 local communities. And this one company paid over \$40,000,000 in taxes to support government in 1949.

Compare this with \$800,000,000 taken from the taxpayers to build a tax-exempt, government-owned power monopoly. Advocates of Federal power claim government projects cut rates. But their arguments fall flat as long as such projects escape the same taxes as private plants and private citizens pay.

It is time to boost the taxpaying American system where every individual has a chance for advancement according to his ability and skill. It is interesting to note that the proponents of government in business are objecting strenuously to it being called socialism but they have yet to come forward with any reason why government in business should not be classed as socialism.

\*Pacific Gas and Electric Co.

### Let Washington Set Example

A great many people noticed a glaring omission in President Truman's recent radio broadcast setting

forth the steps which must be taken in the present emergency. He said: "This defense program cannot be achieved on the basis of business as usual. All of us—whether we are farmers, or wage earners or businessmen—must give up some of the things we would ordinarily expect to have for ourselves and our families—We are all in this situation together. We must be prepared to accept some reductions in our standards of living."

Mr. Truman merely stated what the average individual expects to do in times of stress. The thing he completely failed to mention was any retrenchment in the reckless domestic spending of the Federal government and every bureau connected with it.

The defense program and the morale of the taxpayers, who are being bled white, would be greatly encouraged if some of the public servants in Washington would ask for a cessation of "business as usual" when they ask for cessation of "business as usual." It is no sacrifice for any business or any family to scrimp and save and do everything they can to help provide for their boys who are taken by the armed forces. But it is a tremendous sacrifice to scrimp and scrape and cut down on actual necessities in order to pay taxes to maintain an ever-growing army of bureaucrats and public officials who are constantly looking for new ways to spend money for domestic schemes which put the government deeper into business at the expense of the private citizen.

The President's talk lacked the ring of sincerity when he failed to include government in his demand for so-called "sacrifices" and "reductions in our standard of living."

### The Low Down From Hickory Grove

To be blunt—maybe become unpopular with the new mode in education, academic freedom or whatever it is—I am, for my sermon today, going to preach on the text, "Socialism." I am not for same, but I am for getting it out in the open so people can see it, when the blankets are off, it is a horse of a different color from what we bought.

In the schoolhouse you can put in your time on social uplift, psychology, welfare and come out knowing nothing, and being a menace and nuisance. Instead of emphasis on such, I would add to the curriculum, Socialism. Dissect the subject like a pre-med student delves into the innards of man. See just what it is that Socialism has that is fooling so many countries. Europe has chronic socialism—we, here, are still up and around. We have enough of it though, in our bloodstream, to cause concern. Welfare has become "big business."

The Govt. cannot barge in any place, except it elbows out, some citizen. Govt. pays no taxes—the elbowed-out guy did. The rest of us, we make up the difference. You and me—yet—we are the suckers. Yours with the low down,  
 JO SERRA

### Human Artery Bank To Open New Era In Cancer Surgery

NEW YORK—New York physicians are predicting a new era in surgery with the establishment recently of a human artery bank, supplying pieces of arteries for operations, much as a blood bank supplies blood when needed.

Its treasure now is seven pieces of arteries, totaling 21 inches. The spares can replace damaged, defective, or diseased arteries in living humans. They also promise to make possible bold new cancer operations that cannot be done now because arteries are affected and would have to be removed.

The first such bank was established in Boston recently. They are expected to spread rapidly to other cities.

According to physicians, the arteries are taken soon after death from young persons who have no artery diseases or defects. Permission is granted by the donor before death, or is given by relatives.

The arteries are kept living in a bath of nutrient fluids, but by quick freezing it may be possible to bank arteries for months or years.

Arteries have been grafted successfully in animal experiments after having been kept frozen eight months, doctors report.

The spare artery apparently doesn't live in the body, surgeons said. Like a bone graft, it apparently is replaced by new growth from both ends of the living artery. The spare supplies a skeleton for this growth.

Medical men have eye banks and bone banks, too.

### Child Rolls Out of Crib, Fall Stops 3 Stories Down

CINCINNATI — Monty Hagle, 21 months, rolled out of his crib and finally stopped his rolling and bouncing three stories down. He suffered only a collar bone fracture and body bruises.

Mrs. Hagle had placed Mont's crib near an open window in a third-floor room. Monty slipped over the side of the crib and right out the window.

He bounced off a porch roof on his way down and finally landed on concrete steps, missing by inches a man who was entering the apartment house at the time.

Examination at the hospital disclosed only bruises and a possible collar bone fracture. But Monty was placed in a safety bed at the institution.

### Hearing Impairments

The susceptible years for hearing impairments are from two and one-half to 10 years of age. Ear, nose and throat conditions in early childhood, tend to become chronic and incurable if neglected and lead to permanent hearing impairment.

## LAKE VILLA

The first Family Night gathering was held at the church on Wednesday evening this week when the Woman's Society of Christian Service had charge of the supper arrangements. It was potluck, of course, so every family contributed. The program which followed the supper consisted of a team from the Pacific Garden Mission on South State Street in Chicago, who told of the work being done, then showed a 30 minute colored film "Out of the Night." It was very interesting and there was a good attendance.

The small daughter of Mr. and Mrs. Henry Bennecke was baptized at the morning service at the Community Church last Sunday. Mrs. Bennecke's mother, Mrs. Mamie Cannon, of Gurnee, and other members of the family were guests of Mr. and Mrs. Bennecke at their home.

The Woman's Society of Christian Service will meet Wednesday afternoon, Oct. 18, at the church with Mrs. Leo Barnstable and Mrs. Lloyd Barnstable as hostesses. Special program in charge of Mrs. Troesch and Mrs. Perry.

Mr. and Mrs. Gust Ekdahl also Mr. and Mrs. Carl Ekdahl and daughters drove to Sheridan, Ill., last Sunday to visit the Nelson family who formerly lived near here.

The Royal Neighbor Officer's club held its monthly public card party at the home of Mrs. Marie Hamlin on Wednesday afternoon this week with Mrs. Lela Barnstable and Mrs. Edna Botts as hostesses.

Mrs. Bessie Grimes, of Chicago, was guest of Mrs. Geo. Maypole at Buena Park a few days last week. Mrs. Grimes and her family formerly lived on Rt. 59 west of town.

Sgt. Robert E. Brooks spent a few days last week with his parents, Mr. and Mrs. Harvey Brooks on Burnett Ave., while being transferred from March Field Air Base, Riverside, Calif., to Scott Field at Belleville, Ill., where he will enter radio school for further training.

Mrs. Swanson, of Huntley, Ill., spent a few days last week with her friend, Mrs. Arthur Evans and attended the birthday dinner of W. S. C. S.

Mr. and Mrs. Richard Whitaker of the Weber Duck Farm left early last week to spend a month with his mother and other relatives in Massachusetts.

The ladies of the Sewing Club enjoyed a luncheon with Mrs. Lulu Nelson at the home of her daughter, Mrs. Carl Ekdahl at Monaville last Thursday afternoon.

Mr. and Mrs. B. J. Hooper and Mrs. Hooper's sister, Mrs. Eleanor Gilmore left last Saturday to spend a month in Florida. This is their annual vacation.

Mr. and Mrs. Makert of Villa Woods subdn., were called to Chicago by the death of a friend last week and remained in the city a few days with their daughter and family.

Mr. and Mrs. Wm. T. Somers of Villa Woods subdn., drove to Des Moines, Iowa, late last week to visit Mr. Somers' brother whose wife recently passed away. They remained a few days.

The regular monthly meeting of the Lake Villa P. T. A. will be held Monday, Oct. 16, at 8 p. m. at the school gym. The program will be a

panel discussion on "Television and its effect on the school child," and all parents are urged to attend. Panel members include Mr. Lundahl, Principal, as moderator and Dr. Midgeley, Rev. R. E. Harrison,

Mrs. Oilschlager, Mrs. Warren Brown and Mrs. Olive Martin will take parts in the discussion. Community singing will be enjoyed by the group and eighth grade mothers will serve refreshments.

You are cordially invited to attend the Annual

# Why We Are Building In Lake County...

L. J. SORESEN, vice-president and general manager,  
Deepfreeze Appliance Division,  
Motor Products Corporation.

Early in December we will open our new \$4,000,000 Deepfreeze refrigerator plant in Lake County. Because we are building near your town, perhaps you wonder, "Why are they building here?"

We built here because, for twelve years, our home freezer plant has been a part of Lake County. So it is only natural that we should build our new plant in a community in which we are known, and in which we enjoy the friendship and co-operation of employees, businessmen and civic leaders. We are grateful for this co-operation. With our new plant we will continue to work together.

In North Chicago we built our first plant to manufacture a dramatic new product—a home freezer. With the skilled help of men and women of neighboring towns we created the world's first, the original Deepfreeze Home Freezer. We have enjoyed years of friendly relations with our people and with our unions. And from the number of employees who have stayed with us since we started the home freezer business, we believe you like having us as neighbors.

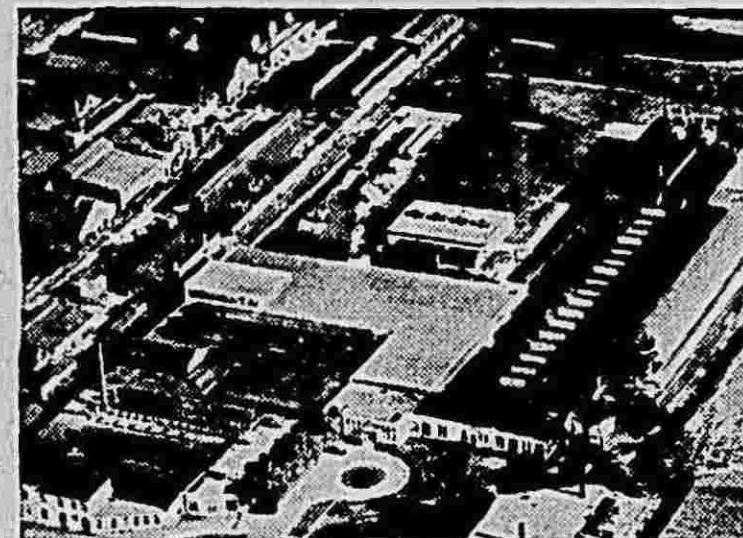

Pleasant surroundings • Agreeable climate • Friendly, capable people.

We built our first plant here because Lake County is rich in these qualities. We are building our new refrigerator plant here for the same reasons. This is our home.

# SALEM

Mrs. Emma Schmidt, of Kenosha, is spending some time with her son, Alfred Schmidt, and family. Michael Patrick, of Kenosha, spent Thursday with his grandparents, Mr. and Mrs. Byron Patrick. Mrs. Charlotte Bloss spent the weekend with her daughter, Mrs. Harold McSweeney and husband, at Delavan.

Mr. and Mrs. Robert Imrie and Mr. Frank Johnson entertained relatives from Elgin on Sunday.

The M. Y. F. of Salem attended a joint meeting at Wesley church on Sunday evening. This is one of several meetings to be held by Bristol, Salem and Wesley. Those attending from Salem were Arthur Bushing, Jr., Jerry Basinger, Philip Krahn, Grover Zellhofer, Kathleen Richards, Greg McCormick, Nancy Evans, Marilyn Kaphengst, Rev. and Mrs. Hulise and Mr. and Mrs. Byron Patrick.

Mrs. George Elfers, of Richmond, called on Mr. and Mrs. David Elfers and Mr. and Mrs. Harry Velson Sunday afternoon.

Mrs. Alfred Schmidt and Mrs. Emma Schmidt attended the funeral of George Schultz at the Lutheran church of Slades Corners on Thursday afternoon.

Mr. and Mrs. Herbert Heines and children, of Kenosha, spent Sunday evening with their parents, Mr. and Mrs. David Elfers.

## WHERE IS IT?

No matter how unusual the product or service you need, the chances are the Yellow Pages can help you find it in a very few minutes. This handy reference guide lists dozens of products and services, under easy-to-locate headings, along with the names, addresses and telephone numbers of local dealers.

Suppose, for instance, you're looking for an exterminator. Simply open the Yellow Pages, find the heading "Exterminating & Fumigating," run down the list, and pick out the one you want. That's all there is to it.

Use the Yellow Pages, too, when you want to locate—

- The address or telephone number when you know the firm's name . . . or the name when you know only the address.
- Manufacturers or wholesalers when you wish to buy in large quantities.
- Business or professional people with common surnames like Smith or Jones. The Classified will save you time and help you avoid mistakes.
- Local dealers for nationally advertised services or trademarked products.

THERE'S MUCH OF TOMORROW IN ALL NASH DOES TODAY

## \$80 Million Tunnel Opened To Motorists

NEW YORK—After 10 years—seven years of actual construction work—the Brooklyn-Battery tunnel opened to motorists last month.

Now that it is over, Ralph Smillie, chief engineer of the project, says he wants a long, long rest. It was a big job, requiring 30 general contractors and several hundred subcontractors and more headaches than Smillie likes to remember.

Although the tunnel is not the largest in the world, it was one big job. In fact, 9,117 feet of it, requiring 13,050,000 man hours to build, 813,000 cubic yards of excavation, 93,600 tons of cast iron to keep the rock and river out, 883,391 bolts, 268,700 cubic yards of concrete, 799,000 square feet of clay tiles on the walls and ceiling, or enough to tile about 6,500 home bathrooms; 12,932 tons of structural steel, 6,756 tons of reinforcing steel, 1,871 miles of electric wiring, and the lives of eight men.

**Cost \$80 Million**  
The biggest tunnel in the world is the Queensway tunnel under the Mersey river between Liverpool and Birkenhead in England. The Queensway has one bore slightly more than two miles long.

The new link under the East river was expected to cost about \$50 million when the ground was broken by President Roosevelt in 1940. When finished it had cost \$80 million.

The tunnel is actually two tubes, running east and west, 15 feet apart. At the deepest point they are 115 feet below the surface of the East river.

Each tube is a two-lane highway and together they are expected to handle 2,800 cars an hour, or about 16 million a year.

Twenty-seven intake fans and 26 exhaust fans ventilate the tunnel, supplying more than four million cubic feet of fresh air every minute. The ventilation job required the construction of four buildings and one three-fourths acre island.

President Roosevelt broke the ground for the tunnel in 1940 but actual construction did not begin until the following year. In 1942, because of the war, work had to be postponed and was not resumed until 1945.

**Eight Men Killed**  
Work began from each end, Manhattan and Brooklyn, and when the two shafts met they were no more than a "dime's width" off line, engineers report.

The progress of the sand hogs varies with whatever they were digging, engineers report. The average in rock was 11 feet a day, in soft ground, seven and one-half feet and in mixed rock and earth, about three feet.

New York City now has four tunnels and 58 bridges between its five boroughs and connecting it to the rest of the United States. Their total construction represents an investment of \$622 million.

The eight sand hogs who died during the construction were killed by falling rock and other accidents which are more or less routine in tunnel work, engineers said.

### Korean Runners Win Top Honors in Boston Marathon

BOSTON — Three remarkable Korean runners won top honors in the 54th annual Boston Athletic association marathon as an estimated 500,000 people turned out to watch the colorful Patriots' day spectacle.

A 19-year-old high school student, Han Kee Yong, was winner of the 26-mile 385-yard run. He made the distance in 2 hours 32 minutes and 39 seconds.

Second and third place were taken by fellow Koreans, Song Kil Yoon and Choi You Chil. It was the fifth straight year that foreign runners have won the event, but never before has a visiting delegation so dominated the picture.

But for a stretch of hills the young Korean might have set a course record now held by a fellow countryman at 2:25:39. Although he slowed considerably near the finish, his nearest competitor was half a mile behind.

### New Law Abiding Valves Guard Pasteurizing Process

MINNEAPOLIS—Every possible precaution is being taken today by America's dairy industry to protect the health-giving properties of milk.

A new valve which will automatically shut off all pasteurizing machinery if anything about its installation and operation is not in accord with public health codes has been perfected by engineers of the Brown Industrial division of the Minneapolis-Honeywell Regulator company.

"Through a simple but ingenious system of internal contacts and electric switches the valve is able to detect any mistakes in the assembly," Jack Meyer, dairy industrial engineer explained. Winterlocked to other pasteurizing equipment, the valve will shut down the process or regulate other operating equipment in even a faulty assembly. It is another step toward greater protection of the public."

### LEGAL

**STATEMENT OF OWNERSHIP**  
Statement of the ownership, management, and circulation required by the Act of Congress of August 24, 1912, as amended by the Acts of March 3, 1933, and July 2, 1946 (Title 39, United States Code, Section 233) of The Antioch News published weekly at Antioch, Illinois for October 12, 1950.

STATE OF ILLINOIS )

COUNTY OF LAKE ) ss

Before me, a notary public in and for the state and county aforesaid, personally appeared Howard K. Gaston, who, having been duly sworn according to law, deposes and says that he is the Editor and Business Manager of the Antioch News and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, and circulation, of the aforesaid publication for the date shown in the above caption, re-

quired by the Act of August 24, 1912, as amended by the Act of March 3, 1933, and July 2, 1946, embodied in Section 537, Postal Laws and Regulations, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and the business manager are:

Publisher—Margaret E. Gaston, Antioch, Illinois.

Editor—Howard K. Gaston, Antioch, Illinois.

Managing Editor—Howard K. Gaston, Antioch, Illinois.

Business Manager—Howard K. Gaston, Antioch, Illinois.

2. That the owner is Gaston Printing Company, Antioch, Illinois, a partnership, owned by Howard K. Gaston and Margaret E. Gaston, Antioch, Illinois.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds,

mortgages, or other securities, are: None.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails, or otherwise, to paid subscribers during the 12 months preceding the date shown above was 2100.

(signed) Howard K. Gaston, partner,  
Subscribed and sworn to before me

this 9th day of October, 1950.

# SOCIETY EVENTS

## Preaching Mission to Open Sunday at Methodist Church With Kermit Long Speaker

Sunday night at 8 o'clock will be the occasion for the opening of the Preaching Mission at the Methodist Church in Antioch. The Mission will be conducted each night through and including Thursday. The speaker for the series of special services will be the Rev. Kermit Long, minister of the Trinity Methodist church in Chicago.

Mr. Long is a popular leader of young people. This year he was the dean of the high school Methodist Youth Fellowship camp at Conference Point on Lake Geneva. He is the minister of a church with some 1,700 members and comes with a rich background of experience.

The local church has for months been preparing for the mission. The members of the evangelism committee have tabulated the results of a religious survey which was conducted throughout the area. Already, 3,400 names have been tabulated and those who have been working on the census report excellent results.

Each night during the Mission Evangelism teams which have been formed by the minister will meet with Mr. Long for a pot luck supper. Those teams will then visit in homes throughout the community area returning each night for the special services in the sanctuary.

During the Preaching Mission there will be special music each night with the robed choir under the direction of Charles B. Watson singing. There will be no charge for attendance at the services. A free will offering to defray expenses will be taken. The public is cordially invited to attend.

## ATTEND LEADERSHIP CONFERENCE OF B&PWC AT BLOOMINGTON

On October 8 Mrs. W. F. Brotherton and Miss Iris McKinney attended a leadership conference of Illinois Federation of Bus. and Prof. Women's Clubs at Bloomington, Ill. The State President, Mrs. Maxine Woodruff, presided.

Following the workshops which were held on the Illinois Wesleyan U. campus, a dinner was served at the Memorial Union for approximately 230 members of the central districts.

The program was a model program planning committee composed of the State chairmen of the club. Members present were reminded of the club's objective to train women for a role as leaders in government and international affairs. This is the purpose of their state project, the Celia M. Howard Fellowship, which is a scholarship awarded to a Woman worthy of studying at Fletcher Law school, affiliated with Harvard University.

## "CHRISTMAS IN OCTOBER" AT W. S. C. S. MEETING

At their regular social meeting, on Wednesday, October 18th, the Woman's Society of Christian Service of the Antioch Methodist church, will have a Christmas party. This may seem a bit early for a Christmas party, but this is a special kind.

During the past year, the Seward Sanatorium at Seward, Alaska, was completely burned out. Doctors, nurses, workers and patients lost most all of their belongings. Their needs are extensive. Anything in the way of household furnishings, linens, notions or toys for children would be most gratefully received.

It is the plan of the supply work chairman that each member will bring a gift, wrapped to send to these friends in Alaska. Come to our Christmas party and enjoy "Christmas in October."

"Not what we give, but what we share; the gift without the giver is bare."

Miss Cornelia Roberts will be speaker at the meeting.

## YOUTH SUNDAY AT ST IGNATIUS' OCT. 15

Sunday, October 15, has been designated throughout the Episcopal Church as Youth Sunday. At St. Ignatius' church it will be observed by a Corporate Communion of the confirmed young people of the parish at the 8:00 a. m. Holy Eucharist, with breakfast following in the Rectory. All confirmed young Churchmen are asked to make their Communions at this Eucharist.

## BOY SCOUT TROOP 91 RE-ORGANIZES

Boy Scout Troop No. 91, sponsored by Post 748 of the American Legion, will re-organize at a joint meeting of members of the Troop and Committeemen on Tuesday, Oct. 17, at 7:30 in the Legion Home on Ida St. New members are cordially welcome. The first project of the Troop will be a hike on Oct. 21.

## HOPE FOR DAILY EUCHARIST CHANGES AT ST. IGNATIUS'

The daily Celebration of the Holy Eucharist at The Church of St. Ignatius of Antioch will be at 8:00 a. m. hereafter, one half hour later than previously.

## Beverly Lasco Is Bride of Preston Reckers, Jr.

Miss Beverly Lasco of Antioch was united in marriage to Preston Reckers, Jr., in ceremonies at Antioch Methodist church Sept. 30. The Rev. G. Richard Tuttle officiated. The newlyweds will make their home in Antioch.

Photo courtesy of Waukegan News-Sun

## St. Ignatius' United Auxiliary Holds First Meeting

The newly organized Woman's Auxiliary of St. Ignatius' Church held their first social meeting the 11th, with a baked ham luncheon in the parish hall, followed by cards, and attended by 50 women and 20 children. The Auxiliary was formed by a union of the former Guild and the Mothers and Teachers Club, and membership is open to all Christian women. Meetings will be on the second Wednesday of each month, at noon, and on the fourth Wednesday at 8:00 p. m. Each meeting will be a combination business and social meeting. The newly appointed officers of the Auxiliary will be installed at a Corporate Communion of the members.

To date, the following women have been appointed to serve until April: Mrs. Maurice Radke, president; Mrs. Richard Folbrink, vice president; Mrs. Oren Hostetter, second vice president; Mrs. Leonard Fischer, recording secretary; Mrs. John Horan, Jr., corresponding secretary; Mrs. Loren Sexauer, treasurer; standing committee appointments are: Mrs. Lester Nelson, program; Mrs. Lloyd Murrie, publicity; Mrs. Michael McKinney, finance; Mrs. Ida Osmond, worship; Mrs. Howard Gaston, housekeeping; Mrs. J. Ernest Brook, social; Mrs. Ethel Adams, altar guild.

## WOMAN'S CLUB TO MEET OCT. 16

The Antioch Woman's Club will meet at the Scout Home Monday afternoon, October 16.

The speaker for the afternoon will be Pearl Bayne, R. N., who will discuss the Proposed Lake County Health Department.

Hostesses for the afternoon are Mrs. Boyer Nelson, Mrs. George Bacon, Mrs. Walter Aschenbrenner, Mrs. Louis Biel, Mrs. John Horan, Mrs. Ralph Jepsen and Mrs. C. A. Bills.

## GRADE SCHOOL P. T. A. TO MEET OCT. 16

The Grade School P. T. A. will meet Monday evening, Oct. 16. Miss Cornelia Roberts, who has been teaching in Turkey, will be the speaker.

A short talk will be given by Mrs. Eugene Hotchkiss from the Public Health Commission of Lake County. Hans Von Holwede with some of the grade pupils will furnish the music.

Refreshments will be in charge of Mrs. Camphausen, chairman of the 7th grade mothers.

## INTERMEDIATE MYF PLANS HOBO HIKE FOR SUNDAY

The intermediate M. Y. F. will leave the Methodist church at 3 p. m. Sunday for a Hobo Hike to Hunter's garage on Rte. 173. After gathering hickory nuts the group will have an outdoor worship service, the subject of which will be "Why We Don't Like Some People."

## GRADE SCHOOLERS HAVE ROLLER SKATING PARTY

The sixth and seventh grades of the Antioch grade school enjoyed a roller skating party at the Sequoia roller rink Tuesday evening. The fifty children attending were accompanied by their teachers, Mrs. Whitacre, Mrs. Garland and Mr. Wilson.

## M. Y. F. NEWS

The M. Y. F. will not have a meeting this Sunday, but the members are invited to attend the Preaching Mission held at the church on Sunday.

Dolly Erickson, daughter of Mr. and Mrs. Paul Erickson, has been pledged to Alpha Xi Delta society at Carroll College, Waukesha, Wis.

## 60 Enlist in Army and Air Force from County Setting State Record

Lake County topped all other counties in the State of Illinois in the number of voluntary enlistments accomplished during the month of September. It was announced by Sgt. 1/c Miles I. Lihn, recruiting officer for this area.

This is based on a percentage-wide basis with the U. S. Army and U. S. Air Force Recruiting service processing and enlisting 60 men from the county, Sgt. L. Lihn added. In contrast to this figure the Lake County Selective Service Boards inducted only forty-four men for the same month. These figures are significant when it is realized that in the normal area the number of inductees invariably exceeds the number of enlistments.

Of those enlisting last month 42 applicants enlisted in the Air Force with eighteen being sworn into the regular army. All of the men joining the Army took advantage of the chance to pick their branch of service. All men going into the Air Force always join unassigned. And of the Air Force enlistees over half are men with college backgrounds, having one year or more of college work to their credit. Two of these men hold masters degrees.

The motivating factor behind most of these enlistments is the draft—or the avoidance of it. Lake County draft eligibles are being quick to realize the handicaps of being an inductee rather than a voluntary enlistment. These men are definitely taking advantage of the privileges that go with enlisting—choice of branch, the ability to select and attend service schools and the chance to attend Officer Candidate Schools, Sgt. Lihn further explained.

## Cast for Junior Class Play "Beyond Reason" Chosen, Practice Begins

The cast for the junior class play of the Antioch Township High school has been selected and practice begun under the direction of Mrs. Jeanette Tulumello. The play is "Beyond Reason," written by Austin Goetz.

Ann McMullen, as Jean, and Ronald Scully as Skip have the leads although the lines are pretty well divided among the 12 participants. Other members of the cast are Sonia, played by Sue Garland; Rose, Natalie Schippmann; Dr. Steele, George Nelson; Eva Patterson, Jill Mahoney; Clyde, Dennis Kennedy; Delilah, Mary Lou Wilton; Dusty, William Poulsen; Ted, Ronald Flatum; Sarah, Gail Dietrick; and Wolfe, Quentin Belke.

Robert Oddsden and Charlene Nelson, as stage managers and properties committee comprising Patsy

Keulman, chairman; Joan Osmond, Allen Hamlin, and George Masopust are a group which meets regularly with the cast and can substitute in an emergency. The play will be given Nov. 16 and 17.

Mrs. Tulumello coached the junior class play last year but not the senior play as she will do this year.

Mrs. Mary Kohler and small daughter have returned from a trip to Eaton Rapids, Michigan, where they visited the V. F. W. National Home for widows and orphans; at Nashville, Mich., they visited their uncle, Henry Kohler. Returning home by the way of Wooster, Ohio, where they spent some time with Mr. Alfred Kohler and daughter, Bertha, who have just returned home from spending the summer in Switzerland.

In Hospital for Treatment Mrs. John L. Horan, 407 Orchard st., went to St. Therese hospital Tuesday for treatment of an infection of the leg.

Attend Press Convention Lorraine Bock, co-editor of the

Sequoia, Antioch Township High school year book, Virginia Petersen and Dolores Corbin, staff members, Miss Narcissus Donovan and Miss Carol Bean, teacher-advisers, will go to Urbana, Ill., Friday to attend the two-day session of the Illinois State High School Press association. They will center their interest in the sessions dealing with year books as the local school has no paper.

Suffers Arm Fracture Susan Ivancic, foster daughter of Mr. and Mrs. Frank Roblin of Park st., suffered a fracture of her left arm Saturday in a fall at her home. She was taken to Victory Memorial hospital in having the fracture reduced and remained in the hospital until Tuesday. She is a pupil in the third grade of St. Peter's school.

Memoriam In loving memory of my dear husband, Arthur Edgar, who passed away two years ago, Oct. 13, 1948. Memory is one's gift of God that death can't take away.

Mrs. Arthur Edgar, Antioch, Ill.

Watch the wrinkles disappear

When you use a modern **STEAM** iron

Take a shortcut to easier and more professional-looking ironing with an up-to-the-minute electric steam iron! You'll iron sheer cotton and rayon fabrics to perfection without any previous dampening. In most cases woollens can be pressed with a steam iron on the right side of the goods without pressing cloth or sponge.

Children's corduroy play clothes are smooth in a minute when you use a convenient steam iron. You'll use your steam iron to block sweaters . . . to steam velvet . . . and in dressmaking, to press as you sew. In fact, once you've used a modern steam iron . . . you'll wonder how you ever got along without it!

Choose an easy-to-use steam iron today.

Prices from **\$18.95**

Other hand irons from **\$9.95**

See the new **ELECTRIC STEAM IRONS** at our nearest store or your dealer's

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

**Cows and Paint**

The American Veterinary Medical association warns that "cows like the taste of fresh paint," and suggests that farmers use nonlead-containing paints on interiors of cow barns and stables. Cows may lick the painted surfaces, and lead poisoning will result if the paint contains lead.

**Marine Emblem**

The marine corps emblem, showing the western hemisphere on the flank of the anchor and surmounted by an eagle, has been kept virtually the same as when adopted in 1868.

**Alkyd Resins**

Important ingredients of today's flat wall paints of high quality are the new alkyd resins. Paints made with such resins are reported to be easier brushing and to save up to 25 per cent on brushing time. Better washability, non-penetration and good color retention are other reported properties.

**Chain Stores**

Chain stores in the United States spent more than \$488,000,000 in 1949 for store construction and modernization. Of this total amount chain drugstores of the country spent \$29,500,000.

**Sugar Consumption**

Last year about nine per cent of the total sugar consumed in the United States was used in making confectionery and still another nine per cent in making bakery, cereal and allied products.

**Railroad Wages**

The average straight time hourly compensation of railroad employees in January 1950, excluding executives, officials and staff assistants, was \$1.549, which was more than double the average in 1939.

"Pierre's just a gyp. Until he discovered Soo Line taxes help maintain public schools he never gave that engineer's daughter a tumble!"

Many a youngster in your community does go to school "on the Soo Line." Last year the Soo Line worked approximately 28 days to pay its taxes—a good share of which was paid directly or indirectly to towns along the Soo Line.

There this Soo Line tax money was used in most cases to help defray the cost of public education—lightening your tax burden.

Yes, in taxes too, the Soo helps you!

# Who Runs America?

the Congress?

the President?

**OR YOU AND THE MAN NEXT DOOR?**

**RUNNING AMERICA** is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

**IN MUCH OF THE WORLD** today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

**FREEDOM COMES UNDER ATTACK.** The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

**THE PEOPLE WEIGH THE FACTS.** In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

**THE "GRASS ROOTS" SIGNALS CONGRESS.** In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

General Federation of  
Women's Clubs  
American Farm Bureau  
Federation  
National Grange  
Veterans of Foreign Wars  
National Conference of  
Catholic Charities  
American Protestant  
Hospital Association

American Legion  
National Association of  
Small Business Men  
United States Chamber of  
Commerce  
National Association of  
Retail Grocers  
National Retail Dry Goods  
Association  
American Bar Association

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

**THE VOLUNTARY WAY IS THE AMERICAN WAY!**

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

## 'Adam's Evening' Chosen For Production by the Lakeland Players Dec. 7

The Lakeland Players, Antioch's own Little Theatre group, will present Katherine Kavanaugh's comedy, "Adam's Evening," at the auditorium of the Antioch Township High School, on the evening of December 6, 7 and 8.

The services of Clare Lundy, of Gurnee, Ill., have been obtained to instruct and direct the players. Mr. Lundy is well-known in Lake County, as he has been associated with the Serial Players. It is believed that his training, knowledge and experience will greatly benefit the Lakeland Players, and should help make their future productions approach professional standards.

## Local Business Man Aids Victims of Car Breakdown

Mrs. John E. Fleming of 5516 Lexington st., Chicago, wife of a policeman, has a kindly feeling for Antioch and its citizens as the result of a recent experience about which she has written the Antioch News.

"Our car broke down and had to be towed to Hunter's garage. My husband had to be at work at 11 o'clock that night in Chicago and our three children were very tired and sleepy.

"When Mr. Swanson who was a stranger to us, heard of our predicament, he offered to drive us to Waukegan in his car to catch the 9 o'clock North Shore train.

"We were certainly happy to accept this offer. We got home safely and in plenty of time. It is indeed heartwarming to have received such help and friendliness."

Fred Swanson, theatre owner was identified as the person who provided the transportation.

## Local Club to Observe Business Women's Week With Benefit Card Party

In celebration of National Business Women's week and at the same time to benefit the local Scout home, the Antioch Business and Professional Women's club is sponsoring a card party at the home at 8 p. m. Oct. 17. Table prizes will be awarded and refreshments served.

Mrs. Joe Horton is chairman of the event.

National Business Women's week will be celebrated throughout the nation the week of Oct. 15 to 21. The theme, "Measure Up for Full Partnership" was chosen by the National Federation of Business and Professional Women's clubs for the twenty-third anniversary of this occasion.

President Harry S. Truman in a letter of praise and encouragement for National Business Women's Week sent to the NFB&PWC this message: "I know that the members of the National Federation of B&P Clubs wish to be judged on the basis of competence of adverse discrimination nor the subjects of special favoritism because of their sex."

The week was first conceived 23 years ago by Miss Emma Partridge, executive secretary of the NFB&PWC from 1924-27, to call attention to the achievements of women in business and the professions and to give the community at large an opportunity to become acquainted with the program of the National Federation.

## Campaign Ball Planned By Young Republicans For Saturday, Nov. 4

A Campaign Ball to be sponsored by the Lake County Young Republicans club at the Rink Ballroom, Belvidere St., Waukegan, on Saturday, Nov. 4, will climax the Nov. 7 general election campaign.

Music will be furnished by Johnny Kappis and his Aragon Ballroom orchestra.

Young Republicans of Western Lake County are to be drafted to assist in making the dance a success.

The dance, according to Herb Litchfield, Waukegan, chairman of the executive committee, has a dual purpose.

Primary purpose is to stir up interest of young men and women

throughout the county in getting to the polls on election day.

Second purpose of the dance is to secure new members for the organization and particularly members of western Lake County.

Tickets for the dance went on sale at \$1.00 each, this week.

**Card of Thanks**  
We wish to thank our relatives, neighbors and friends for their many acts of kindness and sympathy during the illness and loss of our dear wife and mother, Opal Cobb.  
Raymond Cobb  
Mr. and Mrs. Richard Thomson  
William Cobb

# "SUPER-RIGHT" MEATS!

When you buy PORK LOIN, A&P's "Super-Right" policy gives you a fair share of choice center cut with each rib and loin roast...

"SUPER-RIGHT" CUTTING METHODS  
HELP YOU SAVE 3 WAYS

1. Tenderloin is NEVER stripped out of A&P's "Super-Right" loin-end pork roast.
2. Only approximately 1/4 of weight is taken out of center to be sold as chops or center-cut roast.
3. Fair share of desirable center-portion included in both rib- and loin-end roasts.

LOIN END	CENTER CUT	LOBE END	Whole or full rib half

A&P celebrates its 91st anniversary this month. Since our first store was opened in the fall of 1859, millions of consumers, by their patronage, have indicated they liked our way of doing business. We appreciate their confidence and we shall continue to bring you the highest quality foods at everyday low prices & friendly, courteous service.

### Customers' Corner

Did you ever wonder what treatment is given the letters you write to Customers' Corner? Here's what happens to every letter received:

1. The letter is referred to the particular department or store involved for their study and reaction.
2. Once we get the necessary information your letter is answered.
3. If the subject is too complicated to be covered fully in a letter, a company representative visits you.
4. Your comments and suggestions are added to those of other customers to give us a better picture of what our customers want.

In other words, each letter is given the most careful consideration. Won't you let us have your suggestions as to how we can make your A&P a better place to shop? Please write:
